

Oral History Project

Learning about history is both exciting and important! One of the best ways to learn is to talk to someone who remembers it! Whether they were there or heard about it, oral history is a fun way to learn history! Use these questions and interview someone and learn about any historical event they remember!

1. When were you born?
2. What is a big historical event you remember?
3. Where did the event happen?
4. Were you there? Or did you hear about it?
5. If you heard about it, where did you hear about it?
6. Why did the event happen?
7. Did it affect your daily life? If yes, how?
8. How did it make you feel?
9. Did it change anything in your life?
10. What did you learn from it?
